Re: Consideration to Rescind the Conservation Center Use and Indoor Programming Management Protocols: COVID-19 and Adhere to CDC Guidance

The Center for Disease Control (CDC) COVID-19 guidance has changed as more has been learned and vaccination rates increase. Story County is currently considered low risk. Guidance for low risk counties are that individuals 1) stay up-to-date on vaccinations and, 2) get tested if they have symptoms.

Staff requests the board to rescind the *Conservation Center Use and Indoor Programming Management Protocols: COVID-19* and instruct staff to follow CDC guidance in SCC operations.
